ITINERARY

DAY 1

Full-day Tour to Giza Pyramids and Sakkara with a felucca ride

Your tour guide will pick you up from your hotel in Cairo or Giza and head first to the Giza Plateau, where you'll spend the morning visiting the Great Pyramid, the pyramids of Khafre and Menkaure, and the Sphinx. You'll have plenty of time here to take photos and for your tour guide to explain how these monuments were actually built.

From Giza, you'll continue your journey to Saqqara to visit the Step Pyramid of Djoser, built several centuries ago—the structure that sparked the entire tradition of pyramid-building. The atmosphere here is quieter than in Giza, so you'll enjoy a different experience, with more space to take in the scenery.

To wrap up the day, you'll take a trip on a felucca on the Nile—a traditional wooden sailboat that cruises along the river. After a day spent among ancient stone monuments, this is a slower, more relaxing way to end the day before returning to your hotel.
