Continue to the magnificent Temple of Hatshepsut on the west bank of Luxor. There you can see the fascinating reliefs of Queen Hatshepsut. Her temple is an important example of architectural innovations and building techniques during her reign.

Aswan Sightseeing Tour and Return to Cairo

After breakfast at your hotel, begin the second day of your **Luxor and Aswan 2-day Tour** by exploring Aswan's major historical and cultural landmarks with your guide.

Start by visiting Aswan's High Dam, the huge construction project on the River Nile. Discover how it controls the dam's impact on flooding and acts as both a means to store water and as a generator of electricity for Egypt.

Proceed to the site of Aswan's ancient granite quarries to see the Unfinished Obelisk. Abandoned after cracks began to form during its construction, this huge monument helps to understand the methods the Ancient Egyptians used to work on monumental stone.

Next, you will visit the Philae Temple, which has a series of beautiful temples mainly dedicated to the goddess Isis. While there, you will explore the complex's columns, reliefs, and sacred rooms as you hear the story of Isis and Osiris and the importance of this temple to ancient Egyptian faith.

After your sightseeing, enjoy lunch at a local restaurant in Aswan. Then transfer to the airport for your return flight to Cairo. Upon arrival, meet your driver for a transfer back to your hotel, concluding your Luxor and Aswan Trip from Cairo.
