Daily Details for Travel Tour and Activities

Your tour guide will be waiting for you once you cross the border into Palestine from the other side of Taba, after you are picked up from your hotel and transported there by bus along with the rest of the group.

You will then travel to the Dead Sea to experience its unique features.

During the journey, you will make a stop at the Qurman site, which is where the Dead Sea Scrolls were discovered. You will also have the opportunity to observe some Bedouin tribes who live in the desert region.

The next stop on your tour is the Western Wall, which is regarded as the holiest site in Jerusalem and is a must-see for anyone visiting the city.

This ancient structure is a remnant of the Second Temple, which was destroyed by the Romans in 70 AD. Today, it serves as a place of prayer and reflection for Jews around the world.

Next, you will visit the Church of the Holy Sepulchre, which is considered the most significant site in Christianity.

According to tradition, this is where Jesus was crucified, buried, and resurrected. The church is shared by six different Christian denominations and is a place of deep spiritual significance.

After visiting the Church of the Holy Sepulchre, you will go to the Mount of Olives.

This location is associated with the Prophecy of Zechariah, which describes the Messiah returning to Jerusalem, causing the Mount of Olives to split and form a large valley in between.

From the Mount of Olives, you will enjoy a breathtaking view of the Old City of Jerusalem.

This area contains several important landmarks, such as the Dome of the Rock, the Al-Aqsa Mosque, and the Church of the Nativity. The Old City is a UNESCO World Heritage Site known for its rich history and cultural significance.

Your tour will conclude at the Yad Vashem Holocaust Memorial, a moving and powerful site that commemorates the horrors of the Holocaust.

Afterward, you will be dropped off at your hotel in Sharm el Sheik.
