ITINERARY

DAY 1

Giza Pyramids with Felucca Ride in Maadi day Tour

The Great Pyramids, Khufu, Khafre, and Menkaure, have stood on the Giza Plateau for more than 4,500 years. Your driver picks you up in the morning and drives you directly there. Nearby, at the edge of the Giza Necropolis, is the Great Sphinx. It's worth spending some time here rather than dashing through to take pictures. The tour departs from Giza and travels to Maadi for a felucca ride along the Nile, which is a slower, more tranquil approach to see the river and a more sedate area of Cairo that is often overlooked on day visits. A transfer back to your accommodation marks the conclusion of the excursion.
