Memphis and Step Pyramid day trip

Begin your **Saqqara and Memphis tour from giza**. We will pick you up from your hotel for an easy start. Your Egyptologist guide will meet you and travel with you in a private, air-conditioned vehicle. From there, you head out to some of Egypt's best-known ancient places.

Next, stop at Saqqara, just south of Cairo. This is a major archaeological site. Walk through the Step Pyramid of Djoser. It is often cited as one of the key monuments from ancient Egyptian history. Your guide will talk about the design of the pyramid and why its building was a turning point in early Egyptian architecture. You will also have time to look around the nearby tombs and old monuments.

When you finish Saqqara, take a break for lunch at a local restaurant. Then continue to Memphis, the first capital of ancient Egypt. At Memphis, visit the open-air museum. You will see large remains, such as the huge statue of Ramses II. You will also view other ancient objects on display.
