DESCRIPTION

A tour of the Pyramids of Giza and Saqqara, including a boat trip

Our Giza Pyramids and Saqqara with Boat Ride tour offers a perfect blend of Egypt's classic attractions and leisurely experiences, making it one of the top recommended day tours in Cairo.

Our journey begins at the Giza Pyramids, which are among the seven wonders of the ancient world, renowned for their immense size and the iconic Great Sphinx. Following this, we will visit Saqqara, where you can explore the Step Pyramid of King Djoser and the Tombs of the Nobles. You will also receive admission tickets to the Pyramid of King Khafre in Giza and the Serapeum in Saqqara.

Next, we'll set off on a boat trip along the Nile River.

The Nile is the longest river in the world, stretching over 4,000 miles from East Africa to the Mediterranean Sea. During the boat trip, you can choose to explore one of the pyramids from the inside, visit King Khufu's Solar Boat, ride a camel around the Pyramids of Giza, ride an ATV through the desert, or enjoy a Seraphim ride in Saqqara.. However, all of these extra activities must be added during the tour and require additional costs.
