DAY 1

Luxor West Bank tour from Marsa Alam

An early start takes you from your hotel in Marsa Alam toward Luxor in a comfortable, air-conditioned vehicle. Once you arrive, the ancient city becomes your open-air history book, with monumental temples and royal burial sites waiting to be explored.

Begin at Karnak Temple, a vast complex built and expanded by generations of Egyptian pharaohs. Walk among its towering columns and impressive stone monuments before heading to Luxor Temple, where statues, inscriptions, and ancient architectural details reveal the importance of this religious center.

The experience then moves to the West Bank, where the landscape changes from grand temples to the rocky hills that conceal the royal tombs. At the Valley of the Kings, discover the burial place of many New Kingdom pharaohs and explore the decorated tombs carved deep into the mountains. This part of your **Valley of the Kings tour from Marsa Alam** offers a closer look at ancient Egyptian beliefs about death and the afterlife.

Continue to the Temple of Queen Hatshepsut at Deir El-Bahari. Its elegant terraces rise against the limestone cliffs, creating one of the most distinctive temple settings in Egypt. Learn about the female pharaoh who commissioned this remarkable monument and the legacy she left behind.

After the historical visits, enjoy lunch and take some time to relax. Then, experience the Nile from the water on a half-hour sailing trip, with beautiful views of Luxor's riverbanks. Finally, leave Luxor and return by road to your hotel in Marsa Alam after a full day of exploration.
