Giza Pyramids and Saqqara Tour from Aswan

In the morning, one of our best tour guides in Cairo will pick you up from any location of your choice in Aswan and take you to Aswan Airport in time to catch your flight to Cairo, where your professional personal tour guide will be waiting for you.

We'll take you to visit the most famous Egyptian pyramids of all time: the Great Pyramid of King Khufu (Khufu), the second pyramid of the fourth pharaoh of the Fourth Dynasty, King Khafre (Khafre), and the last pyramid built in the Giza Necropolis for King Menkaure (Mencore).

After lunch, you'll head to visit the Step Pyramid of King Djoser—one of the most magnificent structures on Earth—in Saqqara, Egypt's largest archaeological site, to learn how the pyramids were built in ancient Egypt. Saqqara is home to ancient archaeological sites of Egyptian tombs and pyramids, such as the Step Pyramid, the Pyramid of Unas, the Tomb of Idud, and many other historical sites. The Pyramid of Djoser in Saqqara is considered the oldest man-made monument in the world and was built entirely of stone (King Djoser belonged to the Third Dynasty).

To round out our tour of Saqqara, you'll visit the Serapeum, a series of underground tunnels and chambers, and you'll receive an admission ticket to this site.

Finally, at the end of your day's tours in Egypt, you'll be transferred to Cairo Airport to return to Aswan, where we'll meet you and take you back to your hotel in Aswan.
