Full-Day Tour of Luxor: Mummification, the Luxor Museum, and Karnak Temple, Departing from Aswan

Early in the morning, our tour guide will meet you at your hotel in Aswan and take you in a comfortable, air-conditioned car to begin your unique tour. This trip will take you on a journey through time and is considered one of the most memorable guided tours.

The tour will begin with a visit to the most important and famous temple in Luxor—a city home to some of the world's oldest archaeological sites: Karnak Temple.

Your guide will explain the significance of its construction during that era; it is considered the largest and oldest place of worship in ancient times, as well as the finest example of grandeur in the history of Ancient Egypt, in addition to the art of mummification practiced by the ancient Egyptians.

Afterward, we'll take a break for a delicious lunch.

Visit the famous Luxor Temple and learn all about it from your tour guide. It is believed that construction of the temple began during the reign of Amenhotep III and was later completed by Tutankhamun and Ramses II.

After this wonderful day, your tour guide will take you back to your hotel in Aswan.

We wish you a pleasant trip and unforgettable memories.
