DESCRIPTION

Jump into an unforgettable **Kom Ombo and Edfu Tour from Aswan**, and see two of the most striking temple sites along the Nile in just one day. First, wander through the Temple of Kom Ombo, which is oddly but beautifully dedicated to two ancient Egyptian gods at the same time. Then head on to Edfu Temple, famous for being one of the best-preserved temples in Egypt and a clear standout of Ptolemaic design.

You'll travel with luxury transportation, all smooth and comfortable, plus you'll have the support of a specialized private guide the whole way. They'll explain the history, the myths, and the architectural choices behind each location in a way that feels almost immediate, so this **Kom Ombo Edfu tour** turns out both engaging and surprisingly relaxed.

And it gets even better, because this experience still lets you look around Edfu as part of an **Edfu Temple tour from Aswan**, while you also pick up the special angles and stories tied to the **Kom Ombo Temple tour**. Entrance fees for selected attractions and solid local service are included too, so you can simply sink into the temples, the river views, and all that unforgettable Nile history around you.
