Tanis, Bubastis & Suez Canal Day Tour

Your tour representative will pick you up from your hotel in Cairo in a modern, air-conditioned vehicle and drive towards the Nile Delta.

Start your Tanis tour with a look around the ruins of the ancient city of Tanis, one of Egypt's more key archaeological spots. Walk through its temples, statues, and surviving fragments, while your guide tells you the story behind it, and how it developed over time.

Then continue to Bubastis, the old city devoted to the goddess Bastet. See the remains on site and listen to explanations about why the place mattered spiritually and how daily life worked across Ancient Egypt.

Next, head toward the Suez Canal for a pleasant scenic stop, at one of Egypt's most important waterways. You will have time to see the canal itself, and to hear about its background as well as its economic role.

After completing your Suez Canal day tour, take the drive back to Cairo. You will be dropped off back at your hotel, and that is where your Ancient Egypt tour from Cairo comes to an end.
