DAY 1

Day Tour to the National Egyptian Museum of Civilization, the Egyptian Museum, and Abdeen Museum

Our representative will arrive at your hotel to begin your Sharm El-Sheikh Day Tours.You will travel in a comfortable, air-conditioned vehicle to the Egyptian Museum, which is regarded as one of the world's largest and most renowned museums.It is located in the heart of Cairo, on the northern side of Tahrir Square. The museum was originally planned to display a collection of monuments on the Nile beach in Bulak.However, when these monuments were threatened by flooding, they were moved to a special annex of Khadiwi Ismail Palace in Giza.Later, Egyptian scholar Gaston Maspero opened the museum in its current location in 1902, under the patronage of Khadiwah Abbas HalmiII.The museum contains much more than what is displayed, and an Egyptologist will share more details with you during your tour.

Next, you will visit the National Egyptian Museum of Civilization (NEMC), the first of its kind in Egypt and the Arab world.

It offers a comprehensive overview of Egyptian civilization from ancient times to the present.The museum highlights the relationship between Egyptians and the land they have inhabited throughout history, using cultural themes that showcase Egypt's material and intangible heritage.It also serves as an important educational and research center for both local and international visitors.

You will then have time to enjoy a delicious meal at a highly-rated local restaurant and have a soft drink as well.

Finally, you will arrive at the Abdeen Museum, where you can explore the historical progress and development of Egypt.

Your tour guide will provide insights and help you understand more about the exhibits.

We will then return you to your hotel in a modern, comfortable car.

This concludes our service.
