ITINERARY

DAY 1

Giza Pyramids and Saqqara Tour from Sharm El Sheik

Start your Cairo tours from Sharm El Sheikh. In the early morning, our Day Tours Egypt guide will meet you at your hotel lobby. You will be taken to Sharm El Sheikh airport to board your flight to Cairo, beginning your day trip to Cairo by plane from Sharm El Sheikh. Our representative at Cairo International Airport will be waiting for you with a signboard displaying your name to assist you during your arrival process. Then, you will meet your private English-speaking tour guide, who will accompany you throughout the day to visit some of the most famous Egyptian pyramids.

You will visit the Great Pyramid of King Khufu, also known as Cheops, as well as the second pyramid, built for King Khafra, also known as Chephren, who was the fourth pharaoh of the fourth dynasty.

You will also see the last pyramid constructed in the Giza Necropolis, built for King Menkaure, also known as Mycerinus. You will receive entrance tickets to the King Chephren Pyramid, which is the second-largest pyramid in Giza and believed to be the tomb of Pharaoh Khafre, who ruled during the 4th Dynasty.

Inside the pyramid, you will explore a complex of corridors, chambers, and passages that lead to the burial chamber, where Pharaoh Khafre's sarcophagus was placed.

The King Chephren Pyramid also includes several other chambers and corridors, such as the Queen's Chamber, the Subterranean Chamber, and the Grand Gallery.

After lunch, you will be transferred to see the Step Pyramid, also known as the Djoser Pyramid, one of the most remarkable buildings in the world, located at Saqqara, the largest archaeological site in Egypt.

Saqqara includes ancient tomb grounds and pyramids, the pyramid of Unas, the tomb of Idut, and many other significant historical sites.

The Djoser Pyramid at Saqqara is considered the oldest man-made structure in the world, built entirely of stone.

King Djoser belonged to the third dynasty, and the pyramid was constructed for him by his chief architect, Imhotep. It is composed of six mastabas. You will also visit the tombs of the nobles in Saqqara.

Continuing your tour in Saqqara, you will visit the tomb of Serapeum, which consists of a series of underground tunnels and chambers.

You will have an entrance ticket to this site.

Once your day tour is complete, you will be taken to Cairo Airport and then fly back to your hotel in Sharm El Sheikh.
