DESCRIPTION

Discover the fascinating history of ancient Egypt on an unforgettable **Giza Pyramids and Dahshur Tour from Cairo**, and where you get to wander through some of the most iconic archaeological sites. They show how the pyramid construction changed, step by step long before the Great Pyramid of Giza was even a thought.

Your **Cairo Pyramids Day Trip** begins at Dahshur, which is where the Bent Pyramid and the Red Pyramid are located. Both are among the earliest real pyramids, and together with the Pyramid of Meidum linked to King Snefru they were put up almost 4,700 years ago, to honor Egypt's kings and to help preserve their legacy.

Then you continue your **Giza Pyramids Tour** toward the Giza Necropolis, where the Great Pyramids of Cheops, Chephren, and Mycerinus sit in plain view. Nearby you'll also see the legendary Great Sphinx, with its lion body and human head, standing there like King Khafre. Don't miss the Valley Temple too, because it was used during ancient mummification rituals, pretty important stuff.

Your Egypt Pyramids Tour also includes Memphis, the ancient capital of Egypt and the Egyptian Museum in Cairo. Inside, you can meet priceless artifacts and treasures that span thousands of years, like history packed into rooms. And yes, lunch is included, because after all that walking you'll want something comfortable. With our [Cairo Day Tours](#), you can experience these remarkable historical sites as part of an unforgettable **Giza and Dahshur Tour**, combining the iconic pyramids of Giza with the ancient pyramids of Dahshur.

So this **Cairo Pyramids Day Trip** gives you a full path through Egypt's most remarkable monuments, starting at Dahshur and Meidum, moving across the Giza Plateau, and ending with an experience that feels unforgettable.
