DESCRIPTION

Daily tours to the Pyramids of Meidum, the Pyramids of Giza, and Saqqara .

Take a Day Tour from Cairo to explore the sites of Dahshur, Saqqara, and Meidum, and uncover the rich history behind the construction of the Great Pyramids of Giza.

This journey takes you back almost 200 years before the time of King Cheops, who was responsible for building the magnificent Great Pyramid of Giza, a structure that still captivates historians with its scale and complexity. This unique daytime tour of Cairo offers a glimpse into the sacred tombs of the capital of the ancient kingdom of Egypt.

Get ready to be impressed by ancient monuments built over 4,650 years ago, designed to honor the names of Egypt’s kings and rulers.

The tour includes King Djoser’s Step Pyramid in Saqqara, the oldest known true pyramid—the Red Pyramid—in Dahshur, and the Pyramid of Sneferu, also known as the Pyramid of Meidum. Saqqara, situated close to modern-day Cairo, is a remarkable place filled with temples and monuments from the pharaonic era.
