DESCRIPTION

We are pleased to offer a day tour to Manial Palace from Cairo, one of the city's most beautiful attractions. The palace was built in the early 20th century for Prince Muhammad Ali Taz and is currently used as a museum. At the end of the day trip, you may explore our affordable Egypt packages for other exciting tours and experiences.

Cairo provides an exciting day tour that allows you to experience Egypt's rich cultural heritage by visiting the Manial Palace.

This stunning building, rich in history, was once a royal residence and will be an enjoyable experience for those interested in art, culture, and civilization.
