DESCRIPTION

Egypt Countryside Trip

Explore the beauty of the Egyptian countryside through our Cairo Day Tours and get to know the heart of the local community.

Immerse yourself in the everyday lives of the people by visiting their homes, tasting fresh, organic food, and taking part in local celebrations such as weddings and funerals.

You can travel through the countryside on a donkey or bicycle, try your hand at farming, learn to cook traditional dishes, and enjoy outdoor activities like walking or jogging in Al Fayoum. Engage with the local culture by reading, writing, and listening to traditional Arabic music, as well as exploring traditional costumes and customs that reflect ancient Egyptian heritage.

Join our Cairo Day Tour to experience a genuine glimpse into the Egyptian lifestyle.

Enjoy a warm cup of local mint tea and relax while smoking a water pipe (hookah), which is a beloved tradition in the region.

As part of our Egypt Day Tours, a visit to the Egyptian countryside provides a special chance to connect with the local people and appreciate the natural beauty and rich cultural traditions of rural Egypt.
