ITINERARY

DAY 1

Day 1: Visit and overnight at valley of the whales

In the morning, you will leave your hotel in Cairo by coach heading to Fayoum, which is approximately an hour's drive away. Upon arrival in Fayoum, you will be taken by a private bus to Wadi El Hitan, where you can witness some of the most fascinating fossils in the world. The valley is situated on the western side of the Nile River within the Fayoum province, located southwest of Cairo. Here you can find a wide variety of fossilized animals, such as crocodiles, hippos, fish, and turtles.

The tour will take you through the desert landscape of Fayoum, passing by the village of Tunis, where you can explore a pottery art school, and enjoy the views of Lake Qaroun before reaching your destination.

You will spend the night camping in Wadi El Hitan with the company of your own guide. A buffet lunch is provided at the campsite, and a buffet breakfast is also included before you depart for Cairo early in the morning.

It is recommended that you spend at least one night in Wadi El Hitan to fully enjoy its natural beauty.

We believe this is a truly unique experience that you will want to revisit again and again.

Wearing comfortable clothes and footwear is advised for you and your family, as you will be walking in the valley.

Meals included: Lunch and dinner.

DAY 2

Day 2: Tour to the Egyptian museum and Coptic Cairo

After breakfast, you will have the opportunity to enjoy the view of Lake Qaroun, a magical lake regarded as one of the oldest natural lakes in the world and the third largest in Egypt. Wadi El Rayan features two lakes connected by Egypt's only waterfalls, providing a unique and breathtaking sight that cannot be found anywhere else in the world. Take the chance to see these remarkable waterfalls before heading back to the airport for your departure.

You may also choose to participate in an optional excursion to experience sandboarding in El Fayoum, located within Wadi El Rayan, if you have extra time.

Meals included: Breakfast.
