ITINERARY

DAY 1

Giza Pyramids & Saqqara Safari Tour with Quad Bike

Your guide picks you up from your hotel and starts the day at the Giza Plateau, with time at the Great Pyramid, the Pyramids of Khafre and Menkaure, and the Great Sphinx. Your guide walks you through the history as you go, with plenty of stops for photos.

From there you head to Saqqara to see the Step Pyramid of Djoser, the earliest of Egypt's monumental stone structures and the starting point for everything that came after it at Giza.

Then it's time to swap sightseeing for something faster. You head out into the desert for a quad bike ride, kicking up sand with the pyramids in view, a pretty different way to experience the landscape than walking the plateau on foot. Once you're done, your driver takes you back to your hotel in Cairo or Giza.
