DESCRIPTION

A tour guide from "Day Tours Egypt" will meet you to begin an unforgettable morning tour of the Pyramids of Giza and Saqqara. The tour begins with a visit to the Great Pyramid of King Cheops, the only ancient wonder of the seven wonders of the world that still stands today. This pyramid is about 480 meters tall and is the most impressive structure ever constructed by human hands. You will also have the opportunity to explore the Pyramids of Chephren and Mycerinus, along with the Great Sphinx of Giza, which was built as a guardian of the entire Giza Necropolis. A camel ride at the Giza Pyramids will give you a unique perspective and a chance to capture the beauty of your Cairo Day Tour. Your next stop will be the Valley Temple of King Chephren, one of the valley temples located within the necropolis. Following that, you will travel to Saqqara, where you will see the Step Pyramid of King Djoser. This monumental structure is 62 meters high and 129 meters long. It was used to bury the pharaoh and his entire family, including his children and wives. During your Egypt Day Tours, you will be served a gourmet lunch at a quality local restaurant. Afterward, you will be escorted back to your hotel in the Giza area or Cairo.
