DESCRIPTION

Cairo Day Tour to Lahun Pyramid and Lisht Pyramid

Although less famous than the necropolis of Giza, Dahshur, or Saqqara, the archaeological sites of El Lahun Pyramid at Hawara and El Lisht Pyramid near Meidum are well enough known for tourists looking for unique experiences in Egypt.

These sites are associated with two of the recognized kings of Egypt who ruled during the 12th dynasty—Senusret I and Sesostris I, with Senusret II also having his pyramid built at El Lisht.

Don't miss the opportunity to explore the pyramids of Egypt, including the El Lahun Pyramid at Hawara and the El Lisht Pyramid near Meidum.

While these sites are not as famous as the necropolis of Giza, Dahshur, or Saqqara, they are still popular with those seeking unusual tours in Egypt. These Cairo day tours are not commonly taken by many travelers, making them a special and memorable experience. Reserve your Lahun Pyramid and Lisht Pyramid tours from Cairo now! When you plan to visit these two pyramids from Cairo with Egypt Day Tours, you will be immersed in history and culture.

You will have the chance to uncover the secrets of ancient Egyptian civilization and admire the grandeur of Pharaonic architecture.
