ITINERARY

DAY 1

Day 1: fly to Aswan

You have the chance to visit some of Egypt's key attractions with Egypt tours by booking a two-day Aswan and Abu Simbel trip starting from Cairo. You can also explore more of Aswan's main sights through Aswan day tours. On the first day, we will pick you up from your hotel in Cairo. In the morning, you will fly to Aswan city. Upon

arrival, your first stop will be the High Dam. The High Dam was constructed in 1960 and is regarded as the largest dam in the world. It serves the purpose of generating electricity and controlling the flow of the Nile River, one of the most famous rivers in the world. After that, you will visit the famous "Unfinished Obelisk." This monument remains incomplete because, during the time the ancient Egyptians were nearly finished, cracks appeared in the ground. They believed that this granite stone was somehow linked to the earth's original rock, so they decided to stop the work. After that, you will have lunch at a restaurant in Aswan to refuel and prepare for the rest of your journey. You will then visit the Philae Temple, one of the best-preserved temples from the Ptolemaic era. It is one of the most significant temples with a rich history and many interesting stories. You will learn about these stories when you book our trip. Your day will end with an overnight stay in a 5-star hotel in Aswan.

DAY 2

Day 2: ; tour to Abu simbel

On the early morning of the second day of the trip, have your breakfast and get ready to experience the awe-inspiring beauty of this temple. The Abu Simbel Temple: This temple was built by Ramses the Great, also known as Ramses II, and was dedicated to the gods Amun-Ra, Ra-Horakhty, and Ptah. At the end of the trip, return to Aswan from Abu Simbel for your lunch. Then, prepare yourself for the flight to Cairo, where you will arrive at your hotel.
