DESCRIPTION

Get prepared for a private VIP tour to the Giza Pyramids and the Grand Egyptian Museum, where you will experience Egypt's most renowned ancient landmarks in a comfortable and stylish setting. Begin your private tour of the Giza Pyramids, which includes a visit to the Great Pyramid of King Cheops, constructed over 4500 years ago, along with the pyramids of Chephren and Mycerinus and the famous Great Sphinx of Giza. These enormous structures, built during the Old Kingdom by the descendants of King Snefru, are aligned with celestial bodies, and their construction continues to pose intriguing challenges for scientists due to their significant historical and scientific importance.

Continue your exclusive visit to the Grand Egyptian Museum, the largest museum dedicated to ancient Egyptian civilization.

The museum's exhibits feature priceless artifacts, displayed within modern architectural designs that allow visitors to appreciate the remarkable accomplishments of ancient human societies.

This VIP private tour of Egypt's most impressive landmarks offers a relaxed and convenient way to travel, including personalized tours led by expert guides who provide full support throughout your Cairo day tour.
