What can you discover on a Walking Tour of Cairo with locals?

Your **Cairo Walking Tour with Locals** begins with a private guide who stays with you from start to finish from Day Tours Egypt. Begin at the Giza Plateau, where you'll have time to see the pyramids up close and discover the Great Sphinx while learning about the history of these iconic landmarks.

Continue to the Saqqara Necropolis where the very first Egyptian pyramids and ancient tombs are situated. Your guide will take you back in time to the early stages of Egyptian civilization, and discuss how the process of building pyramids first began here, before the more popular Giza Plateau.

In the afternoon, experience an **Authentic Cairo Street Culture Walking Experience** as you explore the historic streets of Islamic Cairo. Stroll through the atmosphere of medieval Cairo, passing landmarks such as Bab Zuweila, one of the old city's historic gates.

The tour ends at the lively Khan El Khalili bazaar, where narrow lanes lead to historic buildings, traditional shops, and local life. Take some free time to wander and explore at your own pace.

This is a great opportunity to explore Downtown Cairo on foot with a local guide and experience the city's history, culture, and everyday atmosphere beyond its famous ancient monuments.
