ITINERARY

Discover the White Desert's Natural Treasures

Your adventure begins with pickup from your hotel in Cairo by Day Tours Egypt, followed by a drive in an air-conditioned vehicle to Bahariya Oasis. From there, begin your desert safari and explore the remarkable landscapes and natural wonders of Egypt's Western Desert.

Next comes the White Desert. This place stands out for its pale chalk rocks. Wind and erosion have shaped these strange forms for thousands of years. Walk around the dunes and look for local shapes and signs of life. You can also learn about fossils and the desert plants and animals.

Afterward, you go to El Haiz Valley. There are old remains here from the Roman period. This stop helps you understand what this land was like in ancient times and why it mattered to Western Desert groups.

Then you visit Crystal Mountain. It is one of the most striking landmarks in the desert. The area is known for bright crystal traces and stone rich in minerals. Spend time looking around and you can grab great pictures of the views.

Next is Agabat Valley, sometimes called the Beautiful Valley. High chalk walls and bold rock shapes frame the scene. The valley is a key moment in the safari. Take time to explore and photograph the landscape as you explore Egypt's chalk rock formations on a desert safari.

As evening approaches, head to your camping spot in the White Desert. Enjoy dinner outdoors, relax beneath the open desert sky, and experience **White Desert Overnight Camping and Stargazing**. Spend the night in a tent surrounded by the peaceful desert landscape, with the opportunity to admire the stars away from city lights.

Meals: Lunch and dinner.

Explore Bahariya Oasis Attractions and Cultural Discoveries

Wake up in the quiet desert air and enjoy breakfast, then keep going through Bahariya Oasis. In today's stops, you will see the area's ancient remains, its open views, and the everyday farming life of local people.

Start at the Golden Mummies Hall. This place is linked to the discovery of a large Greco-Roman cemetery near the Temple of Alexander the Great. Hear how the dig was found. Learn what the mummies were like and what burial customs were used in ancient Bahariya.

Next, go to the Tombs of the Nobles. Here, decorated burial rooms show clues about how well-known people lived and what they believed. They also reflect burial habits in the oasis. Make time to see the tombs of Zed-Amun-Ef-Ankh and Bannentiu.

Head to the Temple of Ain El-Meffetla, which sits northwest of Bawiti. The site has four chapels. These date to the 26th Dynasty. The complex helps you understand the religious past of Bahariya Oasis.

Stop by Bahariya's Salt Lake. The salty water and the land around it look very different from the dunes nearby. Pause for photos. Enjoy this other side of the oasis.

End your visits with a relaxing walk through the palm and fruit gardens of Bahariya Oasis. See the agricultural landscapes that support local life before beginning your journey back to Cairo.

After completing your **Two-Day Bahariya Oasis and White Desert Itinerary**, travel back to Cairo for drop-off at your selected location.

Meals: Breakfast.
