Day 1: Overnight Trip to El Ain Sokhna Red Sea from Cairo / 1st Day at the Resort

Our representative will meet you anywhere in Cairo or Giza to start an incredible journey to El Ain Sokhna on the Red Sea, which can be completed in just 90 minutes. Along the way, we will take a break before arriving at El Ain Sokhna, known as "hot eye." This area is not only famous for its beaches and resorts but also home to one of Egypt's busiest ports, the port of Sohna, which plays a key role in the country's shipping and trade.
The resort we will be staying at is the Cancun Resort, a beautiful and serene seaside destination.
We will check into our rooms as early as possible and have the option to relax in the pool with the lively entertainment team, who will work hard to make your stay enjoyable. Alternatively, you can enjoy the beach, feel the sun's warmth on your skin, and walk along a bridge that extends nearly one kilometer into the sea.
You will enjoy an open buffet lunch, followed by a night show before a buffet dinner, with an overnight stay.
Meals included: lunch and dinner.
