DESCRIPTION

A popular and highly recommended trip from Cairo is the tour that includes the Giza Pyramids, Saqqara, and Dahshur Pyramids. This tour allows travelers to explore the ancient relics and monuments associated with the royal pharaohs of ancient Egypt.

During the tour, visitors will have the opportunity to see two pyramids built by King Sneferu at Dahshur, namely the Curved Pyramid and the Red Pyramid.

They will also visit the Great Pyramid of Khufu, which is the largest pyramid in Egypt. After that, travelers will explore the Step Pyramid of King Djoser, the first pyramid constructed entirely of stone, and the burial site of a ruler from the Third Dynasty. Egypt Day Tours offers several tours from Cairo that are worth adding to your travel itinerary if you're planning to explore this ancient civilization that dates back over 6,000 years.
