DESCRIPTION

Cairo Day Tour to Saqqara and Memphis

On this Memphis and Saqqara tour led by an expert guide, you will gain a deeper understanding of Egypt's history and explore ancient ruins located south of Cairo.

Spend approximately six hours visiting sites such as the remains of Egypt's first city. Your guide will provide detailed explanations about the archaeological features of attractions like the Step Pyramid of Djoser at Saqqara. Taking a special trip to this area is one of the most intriguing activities you can experience in Cairo.

By choosing a private tour, you enjoy the freedom and flexibility of the journey. The tour, which includes Memphis, is an outstanding historical experience that allows visitors to appreciate the cultural heritage of Egypt. Throughout the tour, local guides enhance the experience by sharing valuable insights into Egyptian culture and the historical significance of the places you visit.

Experience the rich history of Memphis with the help of knowledgeable guides who will.
