DESCRIPTION

A tour of the famous Pyramids of Giza and the beautiful pyramids of Dahshur and Meidum

The pyramids at Meidum, Lahun, and Giza are among Egypt's most renowned historical sites.

The Giza Pyramids, including the Great Pyramid of Giza, are the most recognized and well-preserved pyramids globally.

They were constructed as royal tombs for pharaohs during the Old Kingdom period.

Lahun, also referred to as the Pyramid of Senusret II, is situated in the Faiyum Oasis.

It is a remarkably well-preserved structure built for the pharaoh Senusret II during the Middle Kingdom.Lahun is renowned for its unique architectural style and its significance in ancient Egyptian history.

The Meidum pyramid, also known as the Pyramid of Sneferu, is located near the village of Meidum.

It is one of the earliest pyramids in Egypt and was built during the Old Kingdom. The Meidum pyramid is notable for its distinctive stepped structure and its role in the development of pyramid construction techniques.

Visiting these pyramids provides an insightful look into the achievements of ancient Egyptian civilization and their architectural advancements.

On this tour with our Egypt Tours, you will have the opportunity to explore not only one of the seven wonders of the ancient world but also some of the oldest pyramids in history.
