DESCRIPTION

A day trip from Luxor to Cairo allows you to explore the city's most renowned museums and experience Egypt's deep cultural history. The tour starts with a flight from Luxor to Cairo, where you will be met by an expert guide. Following this, you will visit some of Cairo's top museums. Among the highlights are the Grand Egyptian Museum, which houses a vast collection of ancient Egyptian relics, including the famous Tutankhamun treasures. You will have the chance to see detailed statues, mummies, and other remarkable archaeological finds.

This Egypt tour from Luxor by air includes a visit to three of Cairo's most important museums, such as the Abdeen Museum, the National Museum of Egyptian Civilization, and the Grand Egyptian Museum in Giza.
