You can see two major ancient places in one trip by flying out of Luxor. It saves time and helps you reach the sites sooner. This **Memphis and Dahshur day tour from Luxor by flight** offers a convenient way to explore both destinations in one Egypt day tour. Memphis sits close to Cairo. Long ago it served as a capital of Egypt. Today you can still view major ruins there, including a well known monument tied to Ramses II.

In Dahshur, people often go for the Red Pyramid and the Bent Pyramid. These are among the most talked about buildings in the area. When you reach Cairo, plan to start with Memphis first. After that, head to Dahshur. You can also take a felucca ride on the Nile while you are in the region.

For lunch, choose a good local stop. A strong tour often includes a stop at an oriental restaurant where you can eat a proper meal. This **Luxor to Memphis and Dahshur tour** brings together some of Egypt's most remarkable ancient sites in one memorable journey.
