DESCRIPTION

Flight to Memphis and Dahshur from Luxor

It makes sense to explore two fascinating ancient Egyptian sites by flying from Luxor to Memphis and Dahshur. Memphis, located near Cairo, was once the capital of Egypt and is known for its impressive ruins, including the famous monument of Ramses II. In Dahshur, you can visit the Red Pyramid and the Bent Pyramid, which are among the most well-known structures in the area. These sites offer visitors a glimpse into the rich history and unique architecture of ancient Egypt. Enjoy your trip!

When visiting Cairo, the capital of Egypt, consider taking a flight from Luxor to make the journey faster. Upon arrival, you will explore the ancient city of Memphis, then move on to Dahshur. You will also enjoy a felucca ride on the Nile. Naturally, the best tour includes the best food, so you will be taken to an excellent oriental restaurant for a delicious lunch meal.
