From Luxor: Private Day Trip to Dendera and Abydos and Luxor Temples

Along with the famous Luxor Temples, your private day trip will also include visits to the fascinating temples of Dendera and Abydos.

This journey offers you the chance to dive into the rich history and culture of ancient Egypt. Your expert guide will provide detailed explanations throughout the tour, making the experience both enjoyable and informative.

This private tour offers convenience and flexibility, allowing you to explore at your own pace. The tour begins with the Abydos Temple, dedicated to Osiris, the god of the underworld. Osiris was also the husband of the goddess Isis and the central figure in the well-known myth of Isis and Osiris. You will also visit the Temple of Hathor, the cow goddess, located in Dendera.

During your Egypt tour, you will explore the ancient sites of Luxor. Your guide will share captivating stories and legends about these remarkable places, while giving you ample time to take photographs and appreciate the historical significance.
