DESCRIPTION

Take a guided tour of the Giza and Dahshur Pyramids and gain insight into the wonders of ancient Egypt. Explore the Giza Plateau, a site of incredible architecture and rich history, where you can see the mysterious Sphinx and the famous Great Pyramids of Giza. Marvel at the grand size and precise construction of these ancient structures, which have stood for thousands of years.

Once you've explored the Giza Pyramids, your journey will take you to Dahshur, another important archaeological site.

Here, you'll have the chance to see the Bent Pyramid and the Red Pyramid, which reflect the development of pyramid building techniques over time.

To enhance your experience, you'll enjoy a delightful lunch in a traditional Egyptian village.

Taste authentic flavors and experience the local culture by dining with welcoming locals.

Join us on this remarkable adventure through history and culture, where you can witness the splendor of the pyramids and experience the heartfelt hospitality of Egypt.
