DESCRIPTION

Explore the famous sites of Saqqara, Dahshur, and the Giza Pyramids on a private tour. Enhance your experience with an enchanting Light and Sound Show. This tour offers a glimpse into a remarkable journey: During this Egypt visit, you will learn how the pyramids were built to safeguard the secrets of the deceased for eternity. For thousands of years, they have inspired countless myths, legends, and astonishing scientific discoveries. You will also discover how these towering structures, hundreds of feet high, were constructed. The ancient Egyptian pyramids stand like massive sentinels over the city of Cairo, offering one of the most breathtaking views you will ever witness. These colossal stone monuments continue to intrigue and amaze archaeologists who strive to uncover their origins.

Your day tours in Egypt will be unique and unforgettable.

This day trip to the Giza Pyramids, Saqqara, and Dahshur, followed by the sound and light show, is one of our highly recommended and popular day tours around Cairo. It provides you with the opportunity to explore a variety of historical sites. You can choose from our wide range of Egypt travel packages. This tour allows you to witness the grandeur of ancient Egyptian history.
