DAY 1

Day 1: Sharm El Sheikh to Aswan

You will be picked up by a representative from Cairo Top Tours at your hotel in Sharm El Sheikh and then transferred to Sharm El Sheikh International Airport to board a flight to Aswan. Upon arrival, you will be greeted and assisted, followed by a transfer to embark on your Egypt Nile River Cruise before lunch. After lunch on the boat, you will be accompanied by our Egyptologist specialist for your Aswan Day Tours. You will visit the Aswan High Dam, which has a greatly expanded storage capacity, allowing floods to be controlled and water to be released over several years. You will also visit the Unfinished Obelisk, the largest known ancient obelisk that is thought to have been cut during the reign of the powerful female pharaoh, Queen Hatshepsut. Following this, you will move to your next destination, the Temple of Philae, a Greco-Roman-style temple dedicated to the worship of Goddess Isis. It is one of the four sites associated with the legendary story of Isis, Osiris, and Horus. Lunch and dinner will be served aboard the ship, and you will stay overnight in Aswan. Meals: Lunch, Dinner.

DAY 2

Day 2: Edfu and Kom Ombo Temples

Enjoy your breakfast on board your Egypt Nile River Cruise boat before visiting one of the remarkable temples that were saved from being concealed beneath the houses and stables of the modern village, thanks to the efforts of the renowned Auguste Mariette. This is the famous Temple of Horus in Edfu. Horus was the deity associated with kingship in ancient Egyptian religion and was considered the god of the sky. He was worshipped in Egypt even during the early Christian period. Lunch will be served on board later. In the afternoon, you will visit the Kom Ombo Temple, built by the Ptolemaic rulers of ancient Egypt, who came after Alexander the Great. This sacred temple is dedicated to the crocodile god Sobek. However, the local people of the city substituted the image of Sobek with that of another benevolent god and named it Haroeris. Meals: Breakfast, Lunch, Dinner.

DAY 3

Day 3: Luxor East Bank Tours

After enjoying a gourmet breakfast on board, your Egypt Nile Cruise Tour continues with a visit to the grand temple of Karnak, which was built to honor the main gods of Thebes, including the Sun-God Amun-Re and his associated deities, the goddess Mut and their son, the moon god Khonso. Following this, you will be transferred to explore the Luxor Temple on the east bank of Luxor. The Luxor Temple is one of Egypt's most impressive temples and a key historical monument in the city, often included in standard Luxor day tours. Dinner will be served on the vessel, and you will spend the night in Luxor. Meals: Breakfast, Lunch, Dinner.

DAY 4

Day 4: Luxor West Bank Tours

Next, visit the Temple of Queen Hatshepsut, also referred to as Al Deir Al Bahari Temple, which

was built by the second female ruler of Egypt. Then, see the Colossi of Memnon, two massive statues of King Amenhotep III, which resemble the statues of Ramses II found in Luxor Temple, who ruled Egypt during the 18th dynasty of the New Kingdom. After your four-day Nile cruise from Sharm, disembark and transfer to Luxor Airport for your flight back to Sharm El Sheikh. Meals: Breakfast.
