Description

Egyptian Museum of Civilization And Quad Bike Tour

Egypt is a fascinating country with a deep history and remarkable attractions. Our top-rated tourism packages provide excellent Egypt travel experiences, such as exploring mystical temples in Luxor and lively markets in Cairo. Our experienced guides will take you along the Nile, the Red Sea, and through ancient civilizations, offering a smooth and enriching cultural journey.

You can choose any of our packages because Egypt's tourism is unique due to its Pharaonic monuments, which give it a special charm.

Alongside this, you can enjoy sunny desert safari tours and experience the country's distinct religious and cultural influences. As part of our tour, you will visit the Egyptian Museum of Civilization, which includes areas for temporary exhibitions and a display on the growth of modern Cairo. The tour also features an exciting quad bike ride, where you can take great photos and create unforgettable memories.

Itinerary for A Day Tour to The Museum of Civilization and A Quade Bike

A Day Tour to The Museum of Civilization and A Quad Bike

First, our tour guide will take you from Sharm El Sheikh airport in a comfortable private vehicle to begin our day. Next, you will visit the Museum of Civilization, where our guide will explain its history, the number of states it represents, and the stories associated with it.

Then, you will have lunch at a local restaurant near the area.

Afterward, our tour will move on to a quad tour in the Giza desert, which will be in a hot climate.
