Tour to Cairo from Sharm El Sheikh

Enjoy an amazing Egypt tour to Cairo, where you can explore the country's rich history, visit the Giza Pyramids, and see the Great Sphinx on the Giza Plateau.

This area is one of the most popular attractions in Cairo, and the Sphinx stood in front of the pyramids over 4,500 years ago. It is also closely connected to the Step Pyramid in Saqqara and the Bent Pyramid and Red Pyramid in Dahshur.

Experience the grandeur of Egypt's past through a spectacular light and sound show that brings ancient monuments and architectural wonders to life with a stunning display of colors.

The performance tells a fascinating story, recounting the legends and myths of this ancient civilization. This unique combination of lights, music, and narration offers a captivating journey through time.

Join Sharm El Sheikh Excursions to experience an unforgettable day tour to Cairo by air.

During this one-day trip, you will be accompanied by a guide to explore the most iconic sites in the capital, such as the Giza Pyramids and the majestic Sphinx. You will also have the opportunity to visit the new Grand Egyptian Museum (GEM), which houses the largest collection of Egyptian artifacts in the world. This includes the famous collection of King Tutankhamun.

In addition, you will explore the Islamic Cairo area and take a walk through the narrow, ancient alleys of Khan El Khalili Bazaar, the oldest market in Egypt and the Middle East.
