DESCRIPTION

Discover the wonders of ancient Egypt on a full-day Luxor tour from Sharm el-Sheikh by flight. Explore the legendary city of Luxor, known as the world’s largest open-air museum and home to some of Egypt’s most impressive archaeological treasures.

Your journey begins with a flight from Sharm El Sheikh to Luxor, where you will explore the highlights of ancient Thebes, the capital of the pharaohs during the New Kingdom period.

Visit the magnificent Karnak Temple on the East Bank of the Nile, one of the largest religious complexes ever built in ancient Egypt. Continue to the West Bank, known as the City of the Dead, to discover the famous Valley of the Kings, where many Pharaohs were buried, including the tomb of King Tutankhamun.

Explore the impressive Temple of Queen Hatshepsut, a masterpiece of ancient Egyptian architecture, and admire the Colossi of Memnon, the giant statues guarding the entrance to the ancient city.

This unforgettable Luxor day trip from Sharm El Sheikh offers the perfect opportunity to experience Egypt’s history, temples, and royal tombs in one amazing adventure before returning by flight to Sharm El Sheikh.
