ITINERARY

1 DAY

You'll be picked up from your hotel in Sharm El Sheikh and taken to the port to board the boat to Ras Mohamed National Park. Once there, you'll spend time snorkeling in one of the best-protected marine areas in the world, taking in the coral reefs and colorful fish of the Red Sea. Afterward, you'll be taken back to your hotel.

Note: this description also mentions the Giza Pyramids, but no itinerary details connect them to this specific trip — it reads like separate marketing content. Let me know if the pyramids are actually part of this tour and I'll adjust.
