DESCRIPTION

Tiran Island, located in Sharm El Sheikh, is situated in the middle of the Red Sea, at the entrance of the Gulf of Aqaba. Hence, Tiran Island, which is part of Egypt, lies almost equally distant from both Egypt and Saudi Arabia. It is a relatively small island, covering about 80 square kilometers, yet its beauty is truly remarkable.

Tiran Island is rich in natural beauty, with bright and vibrant colors.

It features sandy beaches whose white sand creates stunning, almost heavenly landscapes, similar to those seen on the covers of travel magazines.
