DESCRIPTION

Book our brand new tour to the Museum of Sharm El Sheikh directly from your cruise boat exit door while docking at Sharm El Sheikh port. This will give you the opportunity to be among the first to view the latest exhibition, which covers a vast span of Egyptian history starting from the Pharaonic era, through the Old Kingdom, the Middle Kingdom, and the New Kingdom, all the way to modern times. The Sharm El Sheikh Museum of Antiquities is a fascinating cultural institution situated in the beautiful city of Sharm El Sheikh, Egypt. It provides insight into how Egypt played a significant role in fostering communication, understanding the cultures that came to it, and promoting the concepts of coexistence and acceptance of others.

Sharm Museum Day Trip

This is one of the must-do tours in Sharm El Sheikh.

The museum's exhibition hall is located to the right of the royal corridor. It features a collection of unexcavated artifacts, including items related to cats, hawks, crocodiles, and some recently discovered mummified animals. This reflects the ancient Egyptians' belief in life after death, which led to the practice of mummification. The second hall showcases models of ancient Egyptian gods, a tomb, a mummy, and a sarcophagus belonging to a lady from the late New Kingdom, as well as the Giza Pyramids.
