DESCRIPTION

Traveling from Sharm el Sheikh to Memphis and Dahshur in one day is difficult due to the great distance between these locations.

This day trip includes a visit to the ancient historical sites of Cairo, Giza, Dahshur, and Memphis.

These places showcase the impressive architectural achievements of the ancient Egyptians, including pyramids and temples.You will witness the extraordinary craftsmanship of the past and feel as though you have been transported back to an era of pharaohs and ancient legends.The experience offers a unique opportunity to explore these remarkable archaeological sites and create lasting memories.

This tour exceeded our expectations, especially with the added experience of a felucca ride after the day’s activities.

The Dahshur archaeological area features the last two pyramids built there, which were eventually destroyed by time.Among them is the Black Pyramid from the 12th Dynasty, which is now in a severely damaged condition.
