DAY 1

Giza Pyramids, Saqqara, and Boat Trip from Shram El Sheikh

During this trip, we will transport you from your hotel to the Sharm el-Sheikh airport, where you will fly to Cairo, and our tour program will begin. Upon your arrival in Cairo, our tour guide will be waiting for you with an air-conditioned car to start your journey.

We will visit the Giza pyramids and the Great Sphinx, which include three pyramids: the Pyramid of Khufu, also known as the Great Pyramid, the Pyramid of Khafre, and the Pyramid of Menkaure.

The Pyramid of Khufu is the largest and oldest of the three. These pyramids were constructed during the Old Kingdom period of ancient Egypt and are among the most famous and recognizable structures in the world. You will also receive entrance tickets to the King Chephren Pyramid, also known as the Pyramid of Khafre. This is the second-largest pyramid in Giza and is believed to have been built as a tomb for Pharaoh Khafre, who ruled Egypt during the 4th Dynasty.

After you have lunch at a local restaurant nearby in Cairo, we will continue our tour to Saqqara.

At the Saqqara Necropolis, there are many ancient sites including tombs and pyramids, such as the step pyramid, the pyramid of Unas, the tomb of Idut, and various other historic locations.

However, during this tour, you will explore the Djoser Pyramid, which is considered the oldest man-made monument in the world. It was built entirely of stone and was constructed for Pharaoh Djoser by his chief architect, Imhotep. The pyramid consists of six mastabas. You will also visit the tombs of the Saqqara nobles and have an entrance ticket to the Serapeum.

Finally, we will take the vehicle to Cairo downtown to enjoy a relaxing Nile felucca ride on the Nile for half an hour, allowing you to view the beautiful sunset from a sailing boat on the eternal Nile River.
