ITINERARY

DAY 1

Cairo Day excursions from Marsa Alam by Flight

Our representative will collect you from your hotel in Marsa Alam and transport you in a comfortable, air-conditioned van to Hurghada Airport. From there, you will fly to Cairo. Upon arrival at Cairo Domestic Airport, you will be greeted and assisted before being taken to the Pyramids of Giza. Your day tour will begin with visits to the Cheops, Chephren, and Mycerinus Pyramids. You will also explore the panoramic site to capture stunning views of the Pyramids, visit the Sphinx, and continue to the Valley Temple. During the tour, you will have lunch at a local restaurant near the Pyramids.

Later, you will visit Old Cairo, also known as Christian Coptic Cairo, a significant location that was visited by the Holy Family.

Their stay here was brief due to the anger of the Governor of Fustat, who wanted to harm the Child after some idols fell as Jesus approached. The family sought refuge in a cave, and the Church of Abu Serga (St Sergius) was later built above it. This area is a place of pilgrimage for Christians from all over the world, and it is full of a strong sense of devotion and spirituality.

You will also have the chance to explore the Khan El-Khalili market and enjoy a relaxing felucca cruise on the Nile River, allowing you to experience Cairo's sights, sounds, and everyday life along the water.

At the end of your tour, you will be transferred back to Cairo Domestic Airport, where you will take a flight to Hurghada.

Upon arrival, you will be met and assisted before being driven back to your hotel in Marsa Alam.
