ITINERARY

DAY 1

Giza pyramids, Saqqara, and Motor Boat ride from Marsa Alam

Morning

You will travel from your hotel in Marsa Alam to Marsa Alam Airport to catch your flight to Cairo.

Upon arrival at Cairo International Airport, a representative will be waiting to assist you with the boarding process and then take you to meet your tour guide. Your guide will accompany you through your Cairo day tours, starting with a visit to the Giza Pyramids. You will see the Great Pyramids of Cheops, Chephren, and Mycerinus, and explore the Sphinx, which has the head of a pharaoh and the body of a lion. The Sphinx dates back to the time of King Chephren, and you will also visit the Valley Temple in front of the Pyramid of Chephren, which was used for the mummification of the king's body.

Following this, you will have lunch at a local restaurant of good quality.

Afterward, you will travel to Saqqara Necropolis, an ancient and important archaeological site in Egypt. The site is famous for the Step Pyramid, which is regarded as the earliest and most significant pyramid. You will also visit the Tombs of Nobles and the Serapium Temple, which together form a complex network of tunnels, chambers, and caves carved into the Saqqara Plateau over a distance of 400 meters. This is a valuable addition to your Egypt tour.

After exploring Saqqara, you will take a short 30-minute drive to the Nile River.

There, you will embark on a traditional Nile felucca ride, allowing you to relax and enjoy the cool breeze while taking in the stunning views of the city and the river.
