ITINERARY

DAY 1

tour to luxor east bank

We'll pick you up from your hotel in Marsa Alam in an air-conditioned vehicle. With you the whole day is an English-speaking Egyptologist who really knows their stuff when it comes to Egyptian history. First stop is Karnak Temple, considered one of the finest examples of ancient worship, and you'll spend around three hours taking it all in. From there, you'll head to Luxor Temple, started by Amenhotep III and finished by Ramses II. Lunch happens on an island, with a boat ride built into the experience. Afterward, you'll check into your 5-star hotel and get some time to rest. Later that evening, you'll catch the light and sound show at Karnak, well worth it if you're into history. You'll spend the night at the hotel.

DAY 2

tour to luxor west bank

After breakfast, you'll leave the hotel and head to the West Bank. First up are the Colossi of Memnon, once the guardians at the entrance of Amenhotep III's temple. From there, you'll drive through the Valley of the Kings, home to more than 70 rock-cut tombs, and get to enter three of the most impressive ones, including Ramses VI and Tutankhamun (entry to these requires an extra fee). Next is a visit to the terraced temples of Hatshepsut, followed by a short Nile cruise. Before heading back to Marsa Alam, you'll take a lunch break to relax.
