ITINERARY

DAY 1

private Luxor east bank tour from Marsa Alam

In the early morning, you will be picked up from your hotel and taken on a ride to Luxor to begin your day tours with your tour guide, who will be with you throughout the day. Upon arrival, you will start your tour by visiting the Karnak Temple.

The Karnak Temple Complex, commonly referred to as the Karnak Temple, is a collection of temples, buildings, and columns.

Construction and expansion have been ongoing since the Pharaonic era, with work continuing from the kings of the Middle Kingdom up through the Roman period in Luxor, Egypt, located on the eastern shore of the Nile. Your tour guide will then take you in a private air-conditioned vehicle to visit the Luxor Temple.

The Luxor Temple was constructed during the reign of the kings of the Eighteenth and Nineteenth Dynasties. The most significant structures within the temple were built by King Amenhotep III (1397–1360 BC). Your tour guide will then take you to the Luxor Museum, where you will see the largest and most comprehensive collection of Egyptian antiquities and rare artifacts from Pharaonic history.

The museum is situated on the Nile Corniche and serves as the main headquarters for these historical items. Afterwards, you will have a delicious lunch at a restaurant that serves high-quality Egyptian cuisine.

In the evening, you will return to the Karnak Temple for a sound and light show, which will transport you back in time, making you feel as though you are walking alongside the ancient Egyptians.

Finally, you will be taken back to your hotel in Marsa Alam for the night.

Included meal: Lunch.
