ITINERARY

Amazing day to Luxor from Marsa Allam

When you are ready to explore Luxor's historical sites, our representative will fly there after picking you up from your hotel in Marsa Alam in a modern, air-conditioned vehicle.

First, you will visit the Karnak Temple in Luxor, which is the largest and one of the most significant temples in Egypt.

It is also one of the biggest pharaonic complexes in the country. The temple offers a rich record of Egyptian civilization, spanning approximately 2000 years, from the Middle Kingdom to the Ptolemaic era. The Karnak temple complex is one of the oldest locations in the entire nation of Egypt.

Next, you will visit the Temple of Luxor, located on the eastern bank of the Luxor River, also known as Thebes Ancient.

This temple became a place of worship for Amun-Ra in 1400 BC, and his wife, Mut, built the Luxor temple. The Egyptian temple is a fine example of one of the most beautiful and well-preserved temples in the country.

After that, you will visit the Luxor Museum, which is smaller in comparison to other Egyptian museums, but it is an excellent representation of the culture and history of ancient Theba.

The museum displays a variety of exhibits, including mummies, jewelry, sculptures, and military artifacts from ancient Egypt. One of the most valuable items in the collection is a reconstructed wall from the Karnak Temple from the time of Akhenaten, where you can see his unique artistic style.

Finally, you will experience one of the most popular things to do in Egypt, which is the Sound and Light Show inside the majestic Karnak Temple.

Attending this show and visiting these great temples in one Luxor excursion will give you a unique perspective on the history and beauty of the Karnak Temple. The show is a must-see for anyone taking one of our Luxor day tours. It features vibrant lighting and authentic Egyptian music, offering visitors a chance to see the temple in a new light.

In the end, you will be returned back to Marsa Alam.
