DESCRIPTION

On this Egypt day tour, you will visit the Giza complex, where you will gain insight into the history of the three Great Pyramids and the rulers associated with them. The tour will also include a visit to the Dahshour necropolis, followed by a donkey ride and a traditional Egyptian lunch in a local village.

This tour offers a delightful opportunity to unwind, engage with local culture, and appreciate the picturesque landscapes of the Egyptian countryside, providing travelers with a distinctive and thrilling experience away from the city setting.
